I _____, hereby acknowledge that I have voluntarily applied to participate in recreational activities specifically including, but not limited to, hunting, using a bow and arrow or firearm, or both.

I am aware that hunting and the use of a firearm or bow and arrow, are dangerous activities. I understand that by participating in hunting I take the risk of being injured or killed through my own negligence, the negligence of my fellow hunters, or the negligence of persons leading and guiding hunting groups. I am voluntarily participating in these activities fully aware of such risks and hereby agree to accept, assume, and take any and all risk of injury or death, regardless of whose negligence causes or contributes to such injury or death. _____(initial)

As lawful consideration for being permitted by Santa Catalina Island Conservancy to participate in recreational activities, including, but not limited to, hunting, using bows and arrows or firearms, I, and on behalf of my heirs, distribute, guardians, legal representatives, and assigns, or any of them, hereby release, waive and discharge Santa Catalina Island Conservancy, and any related or affiliated persons or entities, their employees, agents, and assigns (referred to herein as the "Released Parties") from any and all claims, demands, causes of action, fees, liabilities, judgments and expenses (including attorneys' fees) of any kind whatsoever; and covenant not to make a claim against, sue, attach the property of, or prosecute the Released Parties or any one of them, for injury or damage to anyone resulting from the negligence or other acts, howsoever caused, by any employee, agent, or contractor of the Released Parties or by other individuals or entities including other hunters as a result of my participating in any hunting or related activities.

I am aware that any wild game I consume as a result of my hunting activity on Santa Catalina Island will not be inspected and certified by the U.S. Department of Agriculture prior to consumption unless I have it inspected and certified. This release of all claims against the Released Parties shall be effective even though the injury or death may be caused, in whole or in part, by the sole negligence of the Released Parties.

I have carefully read this agreement and fully understand its contents. I am aware that this is a Release of Liability and a Contract between myself, Santa Catalina Island Conservancy, and its affiliated organizations, and sign it of my own free will.
