

Marine Protected Area BioBlitz!

2022 Snapshot CalCoast

What:

- We are hosting an event as a part of Snapshot CalCoast that runs for two weeks, this year its June 13-July 4th, to document a snapshot of biodiversity along the California Coast.
- Join the group to record plant and wildlife observations in Avalon's MPAs: Lovers Cove SMCA and Casino Point SMCA, or document on your own
- Bring your smartphone with your iNaturalist app

Avalon MPA BioBlitz Event:

- Friday June 24th
- 12:00-3:00pm
- Meet at Conservancy Trailhead Visitor Center
