

**Commercial Vehicles Fee Schedule
for**

Commercial Use of Conservancy Roads for the Period 01/01/24 through 12/31/24

Annual Permits

Please review this fee schedule carefully for updates to previous fee structures.

Freight and Passenger Hauling

Vehicles used to transport freight, materials and/or equipment, and heavy vehicles

Permittees must pay the annual fee specified below for each vehicle plus the per-ton mile fees specified below.

Unladen Gross Vehicle Weight (GVW) is Less than 2.5 Tons (<5000 lbs)	\$ 1,425
Unladen Gross Vehicle Weight (GVW) is 2.5 Tons or over (>=5000 lbs)	\$ 2,575
Unladen Gross Vehicle Weight (GVW) is 17.5 Tons or over	\$ 5,150
Commercial Annual Trailer Fee	\$ 335

IMPORTANT: Additional fees applicable for freight and passenger hauling:

Permittees using vehicles to transport freight, sand, gravel, oil, or fuel, and/or move construction vehicles over the roads must pay an additional \$0.85 per ton/mile for the weight of the total load (vehicle weight plus load weight). This must be calculated and submitted to the Conservancy on a monthly basis. The Conservancy has a sample form you may request to assist in figuring you payment.

Permittees using vehicles to transport passengers for hire must have a separate approved Revocable Taxi or Tour Permit in place and pay the Conservancy 12% of the revenue received for each tour in addition to the annual fee listed above. This must be calculated and submitted to the Conservancy on a monthly basis per terms of the Permit.

Authorized Driver Fees

Commercial Authorized Driver Fee	\$ 35.00
